Y3 Home learning Summer term wk2 Week beg 20/04/20

Maths- work has been set using the whiterose website (see below) Y3 week 2 fractions. The children are used to this style of questions, as we have often used them before. You can print out the questions or just write your answers in your book. If children in group 4 find this work a bit tricky, they can do Y2 week 2 (it is also work on fractions)
