

Hi all,

Hope everyone safe and well.

We have now been requested to contact you all on a Friday with ideas for the following week rather than on a Monday.

So next weeks ideas are;

- Please continue to share stories, nursery rhymes and work on numbers.
- Look out and try the Cumbria Daily Challenge.
- Remember that in the nursery we normally follow "In the moment planning" and look for teachable moments while children are playing.
- Have a look at some of the VE day activities that Mr Cairns has messaged about.
- As some children have planted seeds , why not share the Jack and the Beanstalk story attached and try some of the activities if you wish. (Stick puppet character sheet - cut them out and tape to lollipop stick or wooden spoon etc and children can retell the story.)

Above all, please remember these are only for guidance.....Please do what you can, when you can.

Stay safe and look after each other.

Kind Regards,

Mrs Sweeting & Nursery Staff x
