

Nursery wb 1/105/20

Hi all,

Hope everyone is well and ready to enjoy VE day celebrations.

A few ideas for next week.

- Continue to learn new nursery rhymes, share stories and recognise/ write numbers.
- Cumbria Early Years Daily Challenges
- Mr Cairns - Whole School Task
- Continuing with Jack and Beanstalk theme; we have attached some magic beans - You could sequence say first 10 and if confident continue to sequence to 20. You could hide them and children find them.
- We attach some shape posters, please concentrate on 1st 5 sheets, basic shapes and encourage children to notice them in the environment. We have attached a picture from Jack & The Beanstalk for children to identify shapes and count them. We have included some minibeast pictures for you to try.

Please remember, all only ideas. Do whatever you can , when you can.

Continue to post pictures on Tapestry. Great to see what you are all doing.

Above all, look after yourselves and stay safe x

Kind Regards,

Love from Mrs Sweeting & Nursery Staff x
