

Hi everyone,

Hope you are safe and well.

Just a few ideas for next week and the week after at half term.

- Sing nursery rhymes daily and introduce new ones.
- Share books with your child and discuss pictures and illustrations and what is happening
- Can children join in with repetitive story parts?
- Play with your child and encourage them to extend/ elaborate ideas.
- Look for opportunities to model writing - lists, recipes, messages, shop logos, labels etc
- Try the Cumbria Daily Challenge
- Please post any pictures of your child completing these or any other activities on Tapestry.

Above allstay safe.....

These are ideas only. Do what you can, when you can.

Regards,

Mrs Sweeting & Nursery Staff
