

Monday	Tuesday	Wednesday	Thursday	Friday
Phonics play for 20 minutes per day.				
Spellings / sentence work Children can write the spellings and use the word within a sentence or simply practice writing some of the words. Using coloured pens if you have them is always popular with the children!				
<p>Snow White and the seven dwarves reading comprehension - sheets attached 3 different levels 1 star is the simplest version building up in difficulty to 3 stars, please choose the level you feel appropriate for your child.</p>	<p>Look at the Snow White and the Seven Dwarves powerpoint which is attached. Read the story together. Recap on the main points of the story and create a story board or story map of the key points within the story. I have attached templates of both for reference - please feel free to use an example or children could draw out their images and label / write sentences.</p>	<p>Create a missing poster for Snow White. Don't forget to describe: - What she looks like - What she was wearing I have attached a template if you wish to use that.</p>	<p>Choose a character from the story. Draw a picture of the character and then write words around your picture that describe them. E.g. Snow White - beautiful, kind, helpful, clever, etc.</p>	<p>Create a new dwarf - it may be based on yourself or completely made up. What would you call them? What are they good at? What do they enjoy doing? Draw a picture to go with your dwarf.</p>
Numbots play for 20 minutes per day / practice some of the number bonds - you can find these in the packs sent home				

<p>Maths - ordering numbers</p> <p>Please see worksheet attached - ext: To order some numbers of your own.</p>	<p>Maths - introduction to money</p> <p>Have a look at the different coins and the value of each coin. Order the coins from smallest to largest in value. Look at the shapes and colours of the different coins.</p>	<p>Maths - recognising coins</p> <p>Please see worksheet attached - ext: To find the different coins that Mo could have.</p>	<p>Maths - counting in coins</p> <p>Please see worksheet attached - ext: using some coins (from money boxes / borrowed from mum/dad!) count the coins up. How many 1p / 2p / 5p / 10p etc. How much altogether?</p>	<p>Maths - problem solving</p> <p>How many different ways can you make 5p? e.g. 5 x 1p , 3x 1p 1x2p, 2x2p 1x1p, 5p Ext: How many different ways can you make 10p? / 20p etc</p>
<p>Magic Mirror</p> <p>Talk about the Queen's magic mirror and how she believed she was the fairest of them all. Draw a picture of a person you think is 'The fairest of them all' Write them a message to go with their drawing. You could</p>	<p>I'm special</p> <p>In Snow White and the Seven Dwarves the Queen asks the mirror who is the fairest of them all. Talk about being unique and special. Why are you unique / special. Draw a picture of yourself and show all the reasons you are special through</p>	<p>Stranger Danger</p> <p>When Snow White accepts and eats the apple from the old woman she did not know she out herself in danger. Talk about stranger danger, and people we can trust. Create safety posters.</p>	<p>Woodland / outdoor Walk</p> <p>This is basically a Follow-The-Leader game: make this as intense as you like, as it can be Snow White going for a walk with the Dwarves, the Dwarves going to work, or a more intense search for Snow White by the</p>	<p>British Sign Language (BSL)</p> <p>Using the sheet attached can you sign the alphabet? Can you spell your name using BSL? Can you spell anyone else's names?</p>

<p>create a picture frame for your portrait.</p>	<p>drawings / captions / labels</p>		<p>stepmother or huntsman. Start with a slow walk and a sensible leader to make sure that everyone has the idea..., then build-up the complexity of the movements and speed, direction etc.</p>
