Phonics play for 20 minutes per day.				
Spellings / sentence work				
Children can write the spellings and use the word within a sentence or simply practice writing some of the words. Using coloured pens if you have them is always popular with the children!				
English Please complete one of the 'creative writing prompt questions'	English Days of the week in order. You could do this as a daily activity similar to a diary where children write something they have done on each day - e.g. On Monday I went for a beach to the beach because it was sunny. Or you could write sentences for each day of the week in one 'lesson'. Please remember to use capital letters for days of the week.	English Please see attached sheet - 'Adverts'. Choose something you enjoy eating / drinking. Create your own advert for that item. I have sent a template however, feel free to be more creative and create advertising videos / pictures etc.	English Persuasive writing. This can be done as a verbal or as a written task - thinking about yesterday's advert persuade someone why your item is the 'best'.	English Handwriting - use your exercise book to practice some of the cursive handwriting - examples of this can be found in the pack sent home.
