Once upon a time, there was a princess. Her name was Snow White.

Snow White's mean stepmother was the Queen. She had a magic mirror. Every day, the Queen asked the mirror, "Who is the fairest in the land?" It always said that she was the fairest.

One day, the mirror said that Snow White was the fairest in the land. This made the Queen cross. She told her huntsman to ask Snow White to leave. The huntsman let Snow White run away.

Snow White found a cottage where seven dwarfs lived. They were called Dozy, Grouchy, Merry, Prof, Silly, Sniffy and Blushfall. Snow White stayed with the dwarfs.
