| Science- grow your own<br>rainbow(see below for<br>instructions/link)   | <b>Mini project</b> -Holidays think of your favourite holiday- make a fact file about the place. Describe the human and physical features; the location, what activities you can do there, why you like it? who did you go with, accommodation, interesting facts and anything else you would like to include. You could draw pictures, photos or use the information to produce a leaflet. |   |  | French –the weather<br>Handwriting   |

**English-** This week the lessons are from Twinkl Y3 revision power point (link below) Y3 week 4. Morning revision.

<https://www.twinkl.co.uk/resource/t2-pa-108-year-3-english-revision-morning-starter-weekly-4-powerpoint-pack>

**Maths-** work has again been set using bbc bitesize- web links for each day are included. Some of the work they may have done before but some is new. Let the children watch the clips and do the activities, some of the second activities are an extension, if your child finds the first activity easy please do the extension.

**Reading-** instead of reading every day try to do some of the reading challenges (separate sheet attached) over the remainder of the term.

Y3 Home learning Summer term wk 8 Week beg 08/06/20

Handwriting- write two sentences about things you have done recently, using your neatest joined cursive writing.

**Science** - try experiment how to grow a rainbow link below
